PARENTS FAQS

VISA

1 What travel documents are required for the visa application?

NA for Singapore.

TRAVEL

2 Are parents responsible for making their own flight reservations?

Yes. Parents are responsible for coordinating with a travel agency, but ADEC will provide parents with the interns flight details.

3 ACCOMMODATION

Will accommodation for parents accompanying their child be provided?

ADEC has booked one single room for each intern, allowing for enough space for one family member to stay with the intern in their room. However, the family member will need to pay for their own breakfast as the room comes with only one breakfast entitlement.

If an Intern cannot be reached via personal mobile phone or at the hotel, how can parents contact them?

One member of GLOBALFOUNDRIES Project Team
Ms Catherine Lee (mobile: +65 902 99009)

SINGAPORE PARENTS FAQs

7

TRANSPORTATION

Will parents be provided with transportation?

No. However, the parents may ask the hotel personnel for support. They will help you to contact the local transportation or taxi service.

8

HEALTH INSURANCE

Will parents be provided with health insurance?

No. Health insurance will only be provided for the interns and their advisors.

9

SECURITY

How safe will interns be during their internship program in Singapore?

Our commitment is to make all the interns and advisors feel welcome and comfortable during their entire stay. Singapore is a secure and safe city and the interns will be cared for and looked after at all times by the advisors and the GLOBALFOUNDRIES team. We will make sure that all the interns will return back to Abu Dhabi safely at the end of their internship.

10

What safety measures are being taken to ensure the interns' safety at all times during this internship program?

Global Security takes the leadership for the security program. Below you will find a detailed description on the Global Security program:

- Security staff will be present at the airport and in the hotels when interns and advisors arrive in Singapore.
- A Security orientation will be held on the Interns' first day at the GLOBALFOUNDRIES site in form of a training and security induction.
- All Security staff involved in the program will attend the training and will be introduced to all interns and advisors.
- Two Security professionals are appointed to each of the three intern groups as their permanent Security contact for their entire stay.
- An additional Security Supervisor from the contracted Security Company as well as the Security Staff Specialist from GLOBALFOUNDRIES will always be available.
- All program participants will receive contact information on a plastic card with phone numbers from their Mentor, GLOBALFOUNDRIES Security person, GLOBALFOUNDRIES Security Command Center in Fab 1, Emergency numbers for medical help, the program management, etc.
- The local Police will be informed about the group stay and will always be on stand-by in case of an emergency.
- In the interns' hotel, there will be an information board where interns are encouraged to leave a message whenever they are going out and information on where they are planning to go.

How can parents contribute and help with the Interns security?

11

Parents will contribute the most by not interfering with the planned program measures and Global Security/Project Team representatives and simply trusting the security professionals and their capabilities to take care of their children while they are staying in Singapore.

SINGAPORE PARENTS FAQs

FOOD

12 Will my child be provided with Halal food while attending the internship in Singapore?

The hotels provide a breakfast and dinner buffet; lunch is either prepared by the GLOBALFOUNDRIES Cafeteria or a Halal catering provider. In addition, Singapore has a large Muslim population. Halal food is available in many eating places.

INTERNSHIP PROGRAM

13 Will the internship at GLOBALFOUNDRIES be co-educational?

Yes, in a business environment and for all business-related weekday and weekend activities female and male interns will be educated in one group. However GLOBALFOUNDRIES will always make sure to meet the cultural requirements.

14 Are parents permitted to attend classroom or program activities?

Intern Parents are not intended to attend classroom or other training programs. Parents may accompany the group during weekend activities at their own expense/ responsibility provided that they reconcile in advance with the GLOBALFOUNDRIES Project Team in terms of arrangements and preparation.

15 Will interns be traveling outside of Singapore during their internship period at GLOBALFOUNDRIES?

During the duration of the internship, the interns have the opportunity to spend two Saturdays exploring Singapore.

On the remaining weekends, the interns should feel free to experience Singapore and its multi-faceted cultural diversity. Such independent trips need to be communicated in advance to the intern advisors as well as to one member of the GLOBALFOUNDRIES Project Team. Please be aware that contraventions will result in immediate disqualification from the program.

GRADUATION

16 Can parents invite a guest to their child's graduation ceremony?

Yes, inviting additional guests to the intern's graduation ceremony is definitely permitted. However please make sure to get permission from the GLOBALFOUNDRIES Project Team prior to the program in order to avoid possible logistical issues. **However, ADEC should be the first point of contact** in this case. Please note that parents are solely responsible for any costs related to guests attending the graduation ceremony.

CAREER OPPORTUNITY

17 What happens after the internship in terms of my son/daughters career?

At the completion of the internship, each intern will receive a comprehensive evaluation feedback letter outlining the results. The results will indicate whether he/she is employable at GLOBALFOUNDRIES to pursue junior engineering role in the International Work Assignment track upon completion of a degree program.
